TRIVIA NIGHT NEWS

Thanks to the generosity of our school community who supported this event. From the team who organised the night to the parents and friends who attended and the staff who donated their time as auction prizes—this event really brings our community together.

Today we are delighted to announce that the Trivia Night raised just over \$17,000.

This money will be used to continue school improvement especially in refurbishing our school playground.

Working Bee

Our next working Bee is scheduled for Saturday, June 18.

Some jobs include

- trimming bushes
- clearing spouting
- clearing out the garden sheds and containers
- removing cobwebs from around our school

A delicious snack of sausages and fruit will be available to re-fuel our works!
