**Trivia Night**

I am sure that everyone attending the Trivia Night on Saturday would agree that it was a rollicking good time! Congratulations go to Ingrid Ellis and her amazing team on their organisation of this evening. Everyone looked resplendent in their 20’s glam and the good humoured rivalry in Trivia and auctioning add to the overall success of the evening. Fundraising figures are still being finalised, but we believe that it was also the best fundraiser ever. A final figure should be available next week.

Fundraising figures are still being finalised, but we believe that it was also the best fundraiser ever. A final figure should be available next week.

**Preps 2015**

Do you know of any young people who will be turning 5 on or before April 30, 2015? These children would be eligible to being school next year. Enrolments are now being accepted for our 2015 Prep intake.
Excursions/Incursions—Term 2, 2014
Each term teachers plan learning experiences that address the AusVELS curriculum requirements. In so doing, they may plan incursions or excursions that make the learning more powerful. While teachers try to keep costs to a minimum, there is always an additional expense.
A forecast of excursion/incursion costs for Term 2 are:
- Gymnastic Program—approx. $24 per student
- Polynesian Dancer—$5 per student
- Grade 3-6 Athletic Sports—$8
- Paper making workshops (SLA)—$10
Non-payment of costs means that the school must meet the shortfall. This reduces the monies available for other resources for all students. Prompt payment is required.

Trivia Night Follow-up
There were still a small number of items left from the ‘secret auction’ on Saturday night.

All items can be viewed at the office and the first offers made to office will be accepted.

**NAB Partnership**

NAB will donate 0.4% of any loan amount to Newtown Primary School.

Did you know that the NAB has the lowest standard variable rate of the 4 big banks over the past 4 years?

Just mention Newtown Primary when negotiating the loan.

Our school recently received a payment of **$1760** resulting from a community member taking a loan with NAB. Thanks for your help!

---

**STUDENT-LED CONFERENCES**

_June 17and 18_

Notes were sent home on Wednesday relating to the arrangements for Student-led Conferences.

This year our students and teachers have been focusing on explicit teaching around learning goals addressed through quality tasks.

This is an opportunity for the students to share their achievements, supported by evidence and examples of their work.

On line bookings are now available on: [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au)

---

**Student Unexplained Absences**

If your child is to be absent from school, please notify the school on the morning of the absence. In this way we are able to monitor if each child has arrived safely at school. This is then officially recorded as an ‘explained absence’.

An ‘unexplained absence’ is cause for great concern for the well being of the student.

Please refer to our school ‘Attendance Policy’ available in the Policy section of our school website.

**Countdown to the Athletic Sports**

This week our Grade 3-6 student went to Sparrow Park for time trials for the 100m sprints. Our Athletic Sports are scheduled for Friday, June 20 at Goldsworthy Reserve.

**Juniors visit to WasteWise**

The Juniors went to waste wise to learn about composting and waste. We learnt what worms like and don’t like.

We saw millipedes, beetles, slaters, earwigs, red back spiders, slugs and compost beetles.

We did a play called “The Sad Compost Bin”. It was all about what goes in your compost bins.

Then Mrs Kelly’s grade went outside to have a look in the compost and there were lots of spiders, worms and spider-webs. Then, we went back to the room made of rubbish. We found out how long things take to break down, drink cans take over 1,000 years and 2,000 years for squishy plastic.

Then we went back on the bus. We had a GREAT TIME! By Hugo and Tyler
