Art show fever has hit!

Arts Show Day has finally arrived!

Student will participate in African Drumming Workshops which will form the basis of an interactive performance at **6pm** this evening.

All students need to be at the Arts Show by **5.45pm** in readiness for the performance. The more students involved the more fun it will be!

A number of community members will also be entertaining us throughout the evening with their many and varied talents. Look out for some different activities in the Prep courtyard such as the Pendulum painting and decorating the school Christmas tree .See you at the Arts Show!! Mrs Sadowy

Arts Show Wristbands

Your wristband will allow use of the Jumping Castle, 3 Interactive Arts installations and a Photo Booth (no wrist band? Gold coin donation for each activity).

Other stalls will include a variety of foods, a 'lolly shop', a cake stall and 'lucky dips'. These will all need to be purchased on the night. There is no cost for general entry to the art show. Everyone is welcome to view the Arts works and enjoy an evening of musical performances by members of our talented school community. Ice Cream, Cakes and Slices can be delivered to school on Thursday, October 27.

October is 'Walk to School' Month

The VicHealth **Walk to School Month** encourages primary school children to walk to and from school every school day in October, to highlight the ways walking improves children's health and wellbeing. Let's get walking!

MoBros are coming to Newtown PS

We want you! For the second time, a few members of Newtown Primary School are creating a Movember Team to help raise funds and awareness around the health issues that men and their families will face throughout their lives.

We believe it is important to foster the values of openness and acceptance when talking about men's health from a young age and feel that Movember is the perfect platform to start!

If you are interested in joining our team, please check out the link below or pass on your email address to Mr Mac so you can register and grow a Mo throughout the month of November for a great cause!

Last time, the NPS MO BROS raised \$2462, and we would really like to beat that this year.

Donations to the team are also welcome from MO SISTAS, and can be made via the link below.

The mo, the merrier!

Mr Mac.

Never, Never Gate

It is most unfortunate that we see a number of parents walking through the 'never, never gate'. This gate is for vehicle access only.

One of the first lessons that the students are taught when they start school is that they can respect themselves and others by ensuring this gate is used by vehicles only.

So lets all 'team up' and role model safe and respectful behavior for our young people. Never, never walk through the 'never, never gate'.

Hats

Broad-brimmed hats are an essential part of our school uniform from September through until April. These broad-brimmed hats can be purchased along with all other uniform items from Beleza Uniforms in Ryrie St, Geelong.

BPAY payments

Please remember to:

- ◆ write on the permission slip that this is how you are paying
- ◆ the date the payment was made
- ◆ allow a few days for payment to come through to the school system and consider this in time for the excursion/incursion.
