**Father's Day Breakfast**
Once again our community was treated to a delicious Fathers Day Breakfast organised, prepared and hosted by our Kid’s Hope mentors and the La Trobe Terrrace, Church of Christ.

Our mentors set up for breakfast during Wednesday afternoon and then arrived bright and early to prepare a delicious and nutritious breakfast of cereal, fruit juice and egg and bacon rolls.

It was such a treat to see families sitting, chatting and sharing a meal! A special bag of home made cookies capped off this treat. Thank you so much to our mentors.
Working Bee—Saturday, September 3
Have you noticed any changes in our school this week? Thanks to all families who came to school to help out. We managed to paint, re-plant, trim, sweep, rake!

Thanks so much for your generous support!

Sports Day
On Thursday, September 15 the Junior School Committee and Sports leaders will be running Super Sports Day. Wear your sports gear and get ready to join the ‘fun and games’ organised by the Junior School Council and Sports Action Team.

ICT Survey
Thank you to all who responded to the recent ICT survey. With 80 responses we have been able to collect some very relevant and informative data that will help inform our decisions around developing technology use at Newtown Primary School. This data will be shared with school council at our next meeting, and the wider school community at a planned parent information session next term.
Your contributions to this are much appreciated.

Planning for 2017
Do you know if you will be moving from our school in 2017? If you have plans to move, please contact the office. This will assist with future planning.
