JLA – JUNIOR LEARNING AREA

2026 CURRICULUM CONTRIBUTIONS & BOOKLIST INFORMATION

Newtown Primary School is looking forward to another great year of teaching and learning and would like to advise you of Newtown Primary School's financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, **the ongoing support of our families ensures that our school can offer the best possible education and support for our students.**

Financial support from our families enables us to purchase and supply vital resources and consumable items to our students each school year, which assists in facilitating an engaging and well-rounded learning environment at Newtown Primary School.

We want to thank you for all your support, whether that's through vital financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. Within our school this support has allowed us to continue to deliver an outstanding education to all students at Newtown Primary School.

For further information on the Department's Parent Payments Policy please see a one-page overview on page 6.

Yours sincerely,

Corrie Barclay | Principal

Georgia Lea | School Council President
